USES GENERALLY.
SOFT CAST STEEL IN BARS AND RODS, FOR MACHINERY PURPOSES.
BEST CAST STEEL FOR TOOLS, &c.
CASTINGS IN STEEL TO PATTERN.

Let Every Gillette Co-Worker Pledge Him-
self or Herself to

WIN THE WAR!

A good day's work well done goes far to beat the
Hun, while for every day we loaf the Kaiser
thanks us.

It ain't the guns nor armaments,
nor funds that they can pay,
But the close co-operation,
that makes them win the day;

It ain't the individual,
nor the Army as a whole,
But the ever-lasting teamwork
of every bloomin' soul.—*Alfred*

Our former fellow-workers are now fighting our
battle for LIBERTY.

Let None of Them Ever Say That We Have
Failed Him.

Let us all, in addition to subscribing to Liberty
Loans, Red Cross, War Savings Stamps, and
every other patriotic movement to assist the
Government, save food and fuel and—

FIGHT WASTE WHEREVER SHOWN

Let us make a solemn pledge that we will back
up our fellow-workers who have gone to the colors
to the utmost of our ability by working hard and
steadily, cheerfully and eagerly, to get out GIL-
LETTE RAZORS AND BLADES needed by
our Government—by our boys over there.
